INFIRMARY HORROR

- The Dead Hody of a Pauper Floats in s
- Well for Weeks, and the Unfortunate Inmates of the Institution Drink There-VAN WERT, O., Aug. 5 .- On the 15th of June a Russian named Carl Novacasskia, an lumate of the Van Wert County Infirmary, was missing. His whereaboute were not known until yesterday, when his body was found floating in a well at that institution. This well is used by paupers for all purposes. A fence separating the males and females passes over the center of it, and there are two pumps, one on each side of the fence. From thes pumps the water supply is obtained. It is claimed, however, that the superintendent draws water from another well. The water used by the paspers was discolored and
- day morning to an investigation. Two loose planks were removed and a horrible sight was revealed. Floating on the top of the missing man. Coroner Kirkpatrick was notified, and proceeded immediately to hold an inquest. When this officer as rived at the well a half-witted female pau per was pumping for her department a pall of water. This was allowed to be done when it was known that the body was in the well and the water was not fit for bog-wash. The coroner was indignant, and read the well, on which a number of men stood, nd, with the assistance of those above

 - The Bible is not only divinely inspired hape. You could as easily without derears a man could have made any important change in the Bible without imme-diate detection. If there had been an element of weakness, or of deception, or of disintegration, the Book would long ago have fallen to pieces. If there had been one loose brick or cracked casement in this castellated truth, surely the bombard ment of eight centuries would have dis-

 - Who make up this precious group of adranced thinkers to whom God has made especial revelation in our time of that of years ago and fatted to make intelligitransfigured? I wonder what star pointed down to their birthplace? Was it the North star, or the Evening star, or the Dipper? As they came through and descended to our world did Mars blush or Saturn lese one of its rings? When I find these modern wiseacres attempting to improse upon the work of the Almighty and to interlard it with their wisdom and to giving it, as some supposed at that time, suggest prophetic and apostolic errata I vanced thought, which proposes to tell the hear, and I came out from hearing him evertasting strocco. If you are laughed at, Lord what He ought to have said thought in my boyhood way: "Well, you can afford to be laughed at for stand-Lord what He eight to have said thou-sands of years ago, and would have said if He had been as wise as His nineteenth that same street, and not far from being you and miracu ously preserved it. century critics! All this comes of living way back in the eternities instead of 1888. I have two wonders in regard to these Corner."
 - "But," say some, "do you really think on, and Josephus and Prescott record in their histories a great many things they did not approve of. When George Ban-croft puts upon his brilliant historical page the account of an Indian massacre, does he approve of that massacre? There are scores of things in the Bible which neither God nor inspired men sanctioned. Either
 - idity or the meaning of that will. All the mistakes made by the copyists in the Scriptures do not amount to any more importance than the difference between your spelling in a document the word forty, forty or fourty. This book is the last will and testament of God to our lost world, and it bequeaths every thing in the right way, althought human hands may have
- damaged the grammar or made unjustifiable interpolation.

 These men who pride themselves in our day on being advanced thinkers in Bibliin the different denominations of Chrisdamaging Christianity and hindering the cause of the world's betterment than five rincipal of the school, and after about the outside. These men who pretend to be advanced thinkers in all the denominations are fighting the truth from the inside, and I am going to be with God and like and trying to shove back the bolts and
 - swing open the gates.

 Now, I am in favor of the greatest freelom of religious thought and discussion I would have as much liberty for heterodoxy as for orthodoxy. If I should change

- A great London tog has come down up-some of the ministers and some of the churches in the shape of what is called Bible. Genesis is an allegory, and there are many myths in the Bible, and they
- tection, take from the writings of Shak-spears "Hamlet," and substitute in place thereof Alexander Smith's drama, as at any time during the last fifteen hundred the roll of all the missionaries who are to-day enduring sacrifices in the ends of the earth for the cause of religion and the world's betterment, and they all believe in an entire Bible. Just as soon as a missionary begins to doubt whether there ever was a Garden of Eden, or whether there is covered and broken through that imper-fection. The fact that the Bible stands intact, notwithstanding all the furious as-
- doxy has to capture the first square inch.

 Blatant for many years in Great Britain and the United States, and strutting about with a peacockian traggadocio, it has yet to capture the first continent, the first the Bible is of God, it has not been understood, until our time." My answer is, that If the Bible be a letter from God, our Farther, to man, His child, is it not strange that the letter should have been written in such a way that it should allow seventy generations to pass away and be buried before the letter could be understood? That would be a very bright father who should write a letter for the guidance and intelligence. The foundations of death-bed, commeders footber the first space of ground as big as you could cover with the small end of a sharp pin. Ninety-nine out of every bundred of the Protestant churches of America were made to this avenue. "Victory through our Lord Jesus Christ!" "Free grace!" "Glowing attention of the Lamb!" "The cheriots are coming!" "I mount, I before the letter could be understood? That would be a very bright father who should would be a very bright father who should a letter for the guidance and intelligence. The foundations of death-bed, Commeders Foote's death-bed. write a letter for the guidance and intelli-gence of his chi'dren, not understandable until a thousand years after they were in this world to-day were laid by men who roll on other beauties and excellencies will can not take it in that way I will not take songful death-beds of those who believed unfold from the Scriptures, that the Bible | it at all-just as if I received a letter that is such a dead failure that all the Christian pretended to come from a friend, and part scholars for eighteen hundred years were of it was his and part somebody else's. leceived in regard to vast reaches of its
- meaning is a demand upon my credulity

 I would throw the garbled sheets into the umph. No face supernaturally illuminated.

 Those who reject any part of the Bible waste-basket. posed to yield to it I should to-morrow No church of very great influence to-day but was build for those who believed in an have noticed, I suppose, that as soon as a s to be expected that they would have of a Bible, or half a Bible, or three-fourths been chosen to fix up the defective work of a Bible, or ninety-nine one hundredths of Moses and Isaiah and Paul and Christ? of a Bible, I would expect it to die; but of Moses and Isalah and I wonder on what when I know it is built on the entire Word wountain these modern exegetes were of God, I know it will last two hundred years after you and I sleep the last
- Its douth-wound. He was the most fascinam filled with a disgust insufferable. Ad- ating man I ever heard or ever expect to tainless, rockiess, treeless desert swept of opposite, stood Park Congregational church died with him; or, if it is in exist- take you up stronger without them before they were born. The second wonder is how the Lord will get along without them after they are dead. Church still stands on "Hellfire Corner," prow and leaks at the stern, and has a thundering away the magnificent truths of the Scriptures are inspired throughout?" this glorious orthodoxy just as though the other oar, and now tips over this way Yes, either as history or guidance. Gib- Theodore Parker had never lived. All that
- through the wide aqueluct of orthodoxy from the throne of God.

 Rehold the splenders of character built up by orthodoxy. Who had the greatest human intellect the world ever knew? In physical stature insignificant: Scriptures than the misspelling of a word or the ungramatical structure of a senience in a last will and testament affect the value. Orthofox from scalp to heel. Then look at the certitudes. O man, be lieving in an entire Bible, where did you come from? Answer: "I descended from
- a perfect parentage in Paradise, and Johoveh breathed into my nostrils the breath of life. I am a son of God." O man, be-Heving in a bif-and-half Bible, believing in a Bible in spots, where did you come from? Answer: "It is all uncertain; in my sacestral line away back there was an orang-outang and a tadpole and a polywog, and it took millions of years to get me evoluted." O man, believing in a Bical interpretation, will, all of them, end in atheism, if they live long enough, and I declare here to-day they are doing more linto a great to be, so on into the great somewhere and then I shall pass through on to the great any-where, and I shall probably arrive in the great newhere."
 That is where I thought you would fetch thousand Robert Ingersolls could do. That up. O man belleving in an entire Bible, man who stands inside a castle is far more dangerous if he is an enemy than five thousand enemies outside the castle, world? Answer: "I am going to my Fath-Robert G. Ingersoll assails the castle from or's house; I am going into the companionship of my loved ones who have gone before: I am going to leave all my sins,
- God forever and ever." Oh, the glorious certifieds of orthodoxy! Behold the splenders of orthodoxy in its announcement of two destinies, Palace and Pententiary. Palace with gates on all sides, through which all may enter and my theories of religion I should preach live on celestial luxuries world without them out and out, but not in the building end, and all for the knocking and the askwhere I am accustomed to preach, for that was erected by people who believe in the Albambras and the Versailles and the entire Bible, and it would be dishonest for Windsor Castles and the Winter Garden me to promulgate sentiments different and the imperial abodes of all the earth from those for which that building was were heavel up into one architectural put up. When we enter any denomina-tion of ministers of religion we take a solemn vow that we will teach the senti-timents of that denomination. If we

- Call and See Us. re have a right to | and the palace, and other men be denied re is a world several control of their choice of sin and eternal degradation? Palace and Penitentiary! The alls and hundreds of first of no use unless you have the bore we can ventilate last. Brooklyn and New York would all our cities, in time there are the Repuband Sing Sing, and all the small-pox hospitale cuptled on them, than Heaven
 would be if there were no hell, palace and penitentiary! If I see a man with a full bowl of sin, and he thirsts for it, and his whole nature craves it, and he takes hold the opposite party.
- his teeth, and the draught begins to design outh, as we all its sweetness down his throat, shall we shall be theories snatch away the bowl and jerk the man up snatch away the bowl and push him in if and then the man to the gate of Heaven, and push him in if there theory, he has be does not want to go and sit down and it an out-and-out sing pealms forever? No. God has made to a declare for the you and me completely free that we need gives discussion. I not go to Heaven unless we prefer it. Not
- Now, I want to show you, as a major of Jeselel and Mary Lyon, Nero and Charles advocacy for what I believe to be the right, the splenders of orthodoxy.

 Thomas Payne and George Whitefield, Jeselel and Mary Lyon, Nero and Charles right, the splenders of orthodoxy.

 Garfield, John Wilkes Booth and Abraham Many have supposed that its disciples are people of flat shulls, and no reading, and behind the age, and the victims of guilibility. I shall show you that the word orthodoxy stands for the greatest splendors outside of Heaven. Behold the splendors of its achievements. All the missionaries of the Gospel the world round are chaldren of piety and blasphemy, philanger of the control of the control
- and beastliness, I place two destinies of the Bible forever and forever and forever apart.
 Those who deny the Bible, or deny any part of it, never die well. They either go out in darkness or they go out in silence was a Garden of Eden, or whether there is any such thing as future punishment, he comes right home from Beyrout or Madras and goes into the insurance business. All the missionary societies this day are officered by orthodox churches.

 Orthodoxy, beginning with the Sandby orthodox churches.

 Orthodoxy, beginning with the Sandwich Islands, has captured vast regions of barbarism for civilization, while heteronue I put the death-beds of those who rejected part of the Bible, or rejected all of the Bible. Now, take my arm and let us pass through this dividing
- an entire Bible. Now, take my armand let us go through that avenue, and look off upon the other side. No smile of hope. No shout of trinever die well. No beckoning for angels to come. No listening for the celestial esentire Bible. Neither will a church last cort. Without any exception they go out long built on a part of the Bible. You of the world because they are pushed out, man begins to give up the Bible he is apt to preach in some hall, and he has an au-dience while he lives, and when he dies it seems interminable. Oh, is not that a the church dies if I thought that my splendid influence, this orthodoxy, which church in Brooklyn was built on a quarter makes that which must otherwise be the

most dreadful hour of life-the last hour-

positively paradissical?

Young men, old men, middle-aged men, take sides in this contest between ortho-doxy and beterodoxy. "Ask for the old sleep. Oh, the splenders of an orthodoxy, which with ten thousand hands and ten thousand pulpits and ten thousand pulpits and ten thousand all you will give up Genesis, which is at true as Matthew; then you will give up world! paths, walk therein, and ye shall find rest for your souls." But you follow this cru-In Music Hall, Boston, for many years after a while you will give up the mira-stood Theodore Parker battling orthodoxy, cles; then you will find it convenient to give up the Ten Commandments; au ing by the Bible just as God has given it to Do not jump overboard from the stanck called by its enemies "Ho'lfire old Great Eastern of old-fashioned ortho-Theodore Parker died and his doxy until there is something ready to

teel pen for one oar and a glib tongue for

and then tips over that way, until you do Boston, or Brooklyn, or New York, or the not know whether the passengers will world ever got that is worth having came land in the breakers of dispair or on the sinking sand of infidelity and atheism. I am in full sympathy with the advancements of our time, but this world will old Bible. God was just as capable of dictating the truth to the prophets and apostles as He is capable of dictating the truth to the modern apostles and "But," says some one, "don't you think heel. Who was the greatest poet the ages that the copylists might have made some over saw, acknowledged to be so both by in a thousand years. He knew just as mistakes in transferring the divine words infidels and Christians? John Milton, seemistakes in transferring the divise works with the most of the control of the con skeptic and preferring new things to old, I never so much as to-day feit the truth of the entire Bible, especially as I see into what spectacular imbedility must rush what spectacular when they try to chop up the Scriptures now calling upon philosopay, now calling on the Church, now calling on calling on the devil. I prefer the thick, warm robe of the old religion-old as God amid the cold pilgrimage of this life and amid the chilis of death. The old robe rather than the thin, uncertain gause of-

fered us by those wiseacres who believe the Bible in spots.

- There are people in the world who seem to carry sunshine with them and to radiate t on all around them. It is a pleasant take the sting out of disaster, and the bur-den which weighed upon the spirits be-fere they brought their reasoning counsel can call one of these comforters his friend; thrice blessed he who has such a one for wife. How she beautifies hischome! How the light of her brave love shines against around him, spanning them as with prom-ise bows, and pre-figuring a happier future behind the gloom. No rightly constituted man who has such a helpmeet can ever despair, for if ruin stares him in the face he will look into her courageous eyes, as she peeps ever the Ogre's shoulder, jand take heart to wrestle with him —N. P. Lea-
